

Money tally chart

We asked some people about how much they earn per day. Use the data table to answer the questions and make a tally chart. One tally mark stands for 5 dollars.

Billy	Henry	William	Amelia	Ava
\$70	\$100	\$60	\$80	\$50

Name	tally marks
Bill	 70
Henry	
William	
Amelia	
Ava	

Who earns the most per day ?

How much can Ava earn if she works 2 days ?

How much more does Amelia earn per day than William ?

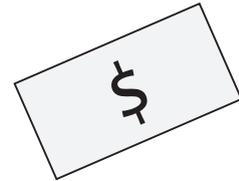

Can William earn \$200 in 2 days ?
