

# Working in Supermarket

Name: \_\_\_\_\_ Score: \_\_\_\_\_

4 friends worked after school hours in a supermarket this month, so they could save some money to buy Christmas presents. They put their earnings in a data table. Use the following table to complete the graph and questions

Ben	Jimmy	Al	Wanda
\$180	\$120	\$240	\$210

1) Complete the pictograph

Ben	\$
Jimmy	
Al	
Wanda	

Each \$ stands for 30 dollars

- 2) How much more did Wanda earn than Ben?
- 3) How much more did Al and Wanda earn than Ben and Jimmy ?
- 4) How many 9 dollar comic books could Ben buy of his earnings ?
- 5) If Al earned \$12 per hour, how many hours did he work ?

# Answers

4 friends worked after school hours in a supermarket this month, so they could save some money to buy Christmas presents. They put their earnings in a data table. Use the following table to complete the graph and questions

Ben	Jimmy	Al	Wanda
\$180	\$120	\$240	\$210

1) Complete the pictograph
