

Largest and Smallest

Name: _____ Score: _____

What is the largest number you can make with these digits.

12592 _____

19870 _____

49348 _____

43562 _____

10908 _____

10101 _____

02670 _____

00987 _____

15678 _____

19832 _____

What is the smallest number you can make with these digits.

10313 _____

18876 _____

49117 _____

40871 _____

10503 _____

13578 _____

00908 _____

98001 _____

12288 _____

17604 _____

Answers

What is the largest number you can make with these digits.

12592 95,221

19870 98,710

49348 98,443

43562 65,432

10908 98,100

10101 11,100

02670 76,200

00987 98,700

15678 87,651

19832 98,321

What is the smallest number you can make with these digits.

10313 1,133

18876 16,788

49117 11,479

40871 1,478

10503 135

13578 13,578

00908 89

98001 189

12288 12,288

17604 1,467
