

# Holiday Destination

Name: \_\_\_\_\_ Score: \_\_\_\_\_

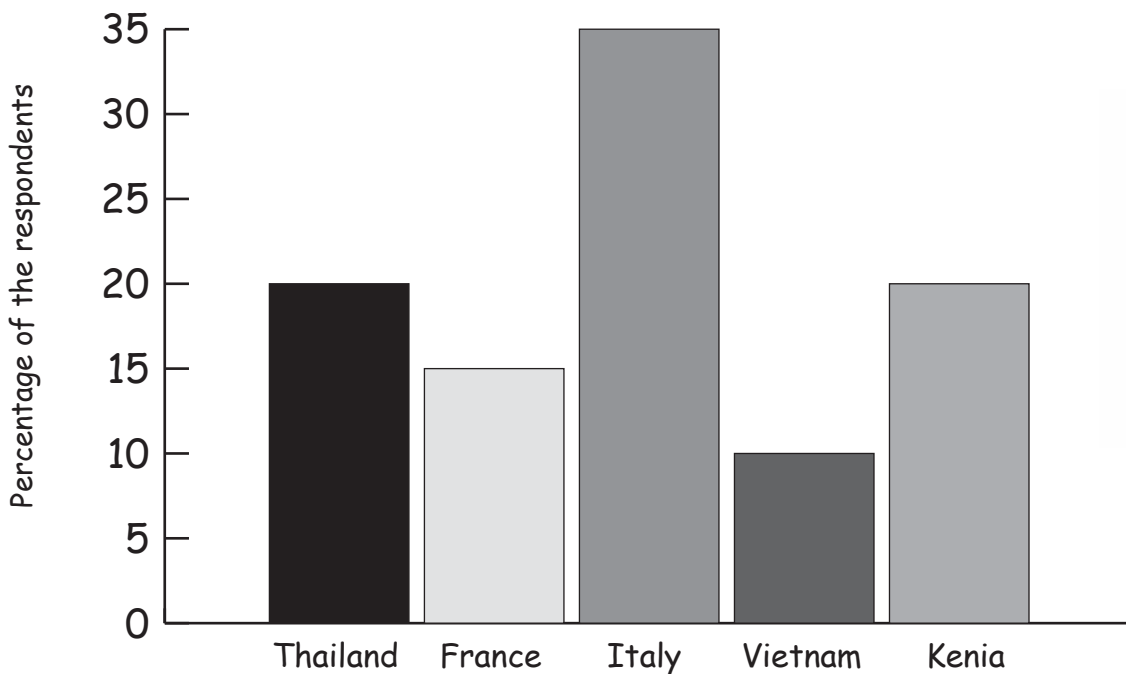

We asked a group of 300 people about their holiday destinations. The bar graph shows the countries that were visited. Use the information to answer the questions.

- 1) What percentage of the respondents went to Italy?
- 2) What percentage did not go to Kenya?
- 3) What fraction of the respondents went to France?
- 4) What is the ratio of respondents that went to Thailand to that of Vietnam?
- 5) How many respondents went to Italy?
- 6) How many respondents went to Asia?

# Answers

We asked a group of 300 people about their holiday destinations. The bar graph shows the countries that were visited. Use the information to answer the questions.

1) What percentage of the respondents went to Italy?

35%

2) What percentage did not go to Kenia?

$100 - 20 = 80\%$

3) What fraction of the respondents went to France?

$15\% = 15/100 = 3/20$

4) What is the ratio of respondents that went to Thailand to that of Vietnam?

2:1

5) How many respondents went to Italy?

35% of 300 = 105 respondents

6) How many respondents went to Asia?

$20 + 10 = 30\%$  of 300 = 90 respondents
