

Largest and Smallest

Name: _____ Score: _____

What is the largest number you can make with these digits.

324574 _____

736353 _____

4118970 _____

4898750 _____

142627 _____

650007 _____

515638 _____

342219 _____

1233209 _____

3416778 _____

What is the smallest number you can make with these digits.

822374 _____

167574 _____

4102020 _____

4403570 _____

120027 _____

100627 _____

980638 _____

987638 _____

1958509 _____

6655209 _____

Answers

What is the largest number you can make with these digits.

324574 754,432

736353 765,333

4118970 9,874,110

4898750 9,887,540

142627 764,221

650007 765,000

515638 865,531

342219 943,221

1233209 9,332,210

3416778 8,776,431

What is the smallest number you can make with these digits.

822374 223,478

167574 145,677

4102020 1,224

4403570 34,457

120027 1,227

100627 1,267

980638 36,889

987638 367,889

1958509 155,899

6655209 255,669
