

# Drawing Areas in Triangles

Name: \_\_\_\_\_ Class: \_\_\_\_\_

Draw triangles based on the given areas and length of the base.  
1  stands for 1 cm<sup>2</sup>.

Area: 12 cm<sup>2</sup>

Area: 15 cm<sup>2</sup>

Area: 10 cm<sup>2</sup>

Area: 18 cm<sup>2</sup>

Area: 14 cm<sup>2</sup>

Area: 20 cm<sup>2</sup>

Area: 12 cm<sup>2</sup>

Area: 20 cm<sup>2</sup>

Area: 10 cm<sup>2</sup>

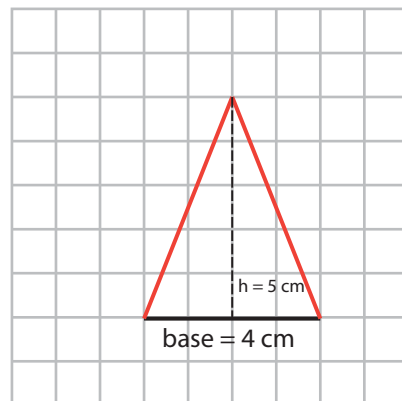

# Answers

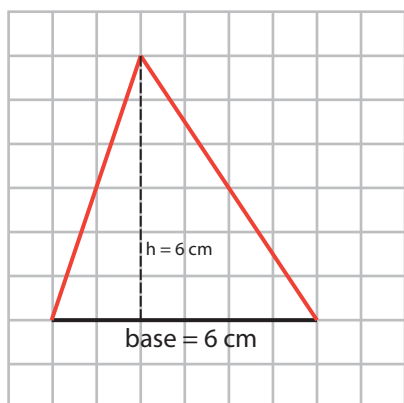

Area:  $12 \text{ cm}^2$

Area:  $15 \text{ cm}^2$

Area:  $10 \text{ cm}^2$

Area:  $18 \text{ cm}^2$

Area:  $14 \text{ cm}^2$

Area:  $20 \text{ cm}^2$

Area:  $12 \text{ cm}^2$

Area:  $20 \text{ cm}^2$

Area:  $10 \text{ cm}^2$

NB: other combinations are possible, these are just possible answers
