

Number lines!

Fill in the numbers 1,2,3,4 and 5 so that each line in the Z-shape adds up to 7 and each line in the V-shape adds up to 10.

Number squares!

Fill in the missing numbers in each square. Add or multiply the numbers on the left with the numbers on top. The first square serves as an example.

+	4	7
3	→ 7	→ 10
5	→ 9	→ 12

×	4	7
3		
5		

+		71
11	36	
	34	

×	5	7
3		
	20	

+	6	
		15
	11	18

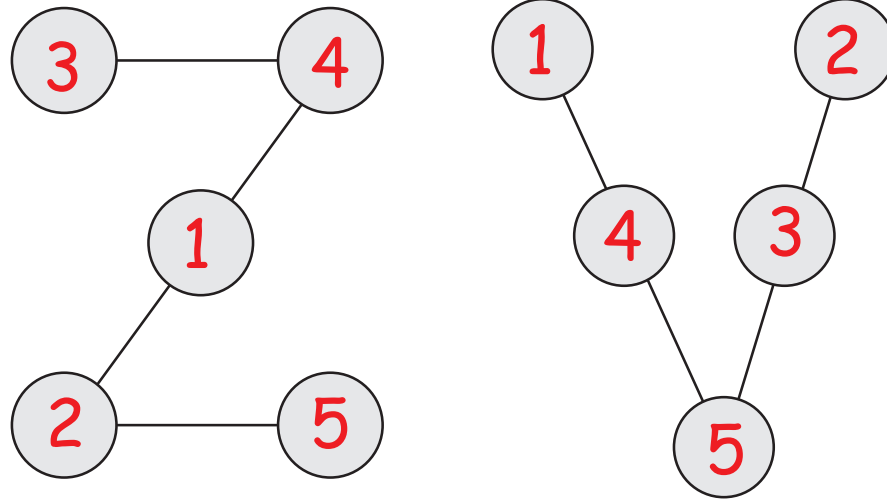

×	5	6
4		
	15
