

Circle patterns!

Study the first row in each circle and use that pattern to fill in the blanks.

Number squares!

Fill in the missing numbers in each square. Add or multiply the numbers on the left with the numbers on top. The first square serves as an example.

+	4	7
3	→ 7	→ 10
5	→ 9	→ 12

x	5	4
15		
12		

+		71
	46	
9	44	

x		
	25	20
	15	12

x		
	16	8
	20	10

x		
	28	36
	28	37

Circle patterns!

Study the first row in each circle and use that pattern to fill in the blanks.

17	11	5
24	16	8
15	12	9

average of both numbers

43	300	57
31	150	19
14	120	26

add both numbers and x 3

Number squares!

Fill in the missing numbers in each square. Add or multiply the numbers on the left with the numbers on top. The first square serves as an example.

+	4	7
3	7	10
5	9	12

x	5	4
15	75	60
12	60	48

+	35	71
11	46	82
9	44	80

x	5	4
5	25	20
3	15	12

x	4	2
4	16	8
5	20	10

x	7	9
4	28	36
4	28	37
