

# 9 by 9 Numbricks Puzzles (Very Hard)

Fill the grid with the numbers 1 to 81 to make a non-stop connecting path. You may connect the numbers horizontally and vertically (not diagonally). You must connect all 81 numbers.

1				15				79
	3	8				18	77	
	28						76	
31				23				71
	36						66	
	37	44				58	59	
39				55				61

65								11
	67						19	
				75				
			79	78	77			
		53	80		26	25		
			81	28	1			
				29				
	47						33	
45								35

# Answers

Fill the grid with the numbers 1 to 81 to make a non-stop connecting path. You may connect the numbers horizontally and vertically (not diagonally). You must connect all 81 numbers.
